

INSTALLATION AND REPAIR TECHNICIAN

Valley TeleCom Group is seeking a qualified individual for the position of I & R Technician to be responsible for the installation, maintenance and removal of outside plant telecommunications facilities. This person will install, maintain and remove outside plant facilities which include aerial and buried cable, DSL and Video equipment and Customer Premise Equipment (CPE) and perform routine testing and maintenance using various test and cable locating equipment. This position will report to Willcox, AZ.

Requires a high school diploma or GED. Related experience and/or training is desirable but not essential. Bi-lingual English and Spanish is desirable.

Health, dental and vision insurance, 401(k) plan, retirement plan, Paid Time Off (PTO), life insurance, and long-term disability.

Applications and complete job descriptions may be obtained from our web site: www.vtc.net OR requested by calling 520-384-2231 or 1-800-421-5711. You may also pick one up at our headquarters located at 752 E. Maley Street, Willcox, AZ. This position will be open until filled. Please submit applications to: Valley Telephone Cooperative, Inc., P.O. Box 970, Willcox, AZ 85644. Attn: EMPLOYMENT. You may also fax your application and/or resume to: 520-826-1848 or email them to: employment@vtc.net. A post-offer, pre-employment drug test, motor vehicle driving record and background check will be conducted. EOE
